

SAI Visa Application Procedure

You will need a passport in order to apply for your Student Visa. If you do not have one, please apply for one immediately and pay to expedite the passport application.

SAI may process Student Visa applications for students residing or attending school within the jurisdiction of all 10 US Consulates: Boston, Chicago, D.C., Detroit, Houston, Los Angeles, Miami, New York, Philadelphia, and San Francisco Italian Consulates.

We highly recommend students process through SAI to avoid multiple visits to the Consulates due to incomplete and incorrect visa applications. Difficulty in obtaining an appointment is another issue parents and students find frustrating. With SAI processing, the student will not have to go to the Consulate in person.

**For those students submitting their visa application to SAI the cost is \$250.
Please submit your visa application to SAI no less than 75 days prior to departure.**

You may, however, send your application to SAI starting 90 days prior to your departure.

Please note that it is a student's responsibility to submit ALL required materials by the due date to SAI. SAI cannot guarantee the timely return of your passport and visa if these deadlines are not met.

If you do not meet the deadline of submitting your visa application materials to SAI, you may be responsible for applying on your own for your Student Visa.

If you plan to depart several weeks prior to the start of classes, or will need your visa prior to the start of your program, you will be responsible for obtaining your Student Visa. This holds you responsible for ensuring that you have your passport and processed visa in time for your departure. Please contact the visa coordinator immediately.

If you will be attending multiple sessions be sure to notify SAI's California office of your plans as soon as possible. Obtaining a visa for your entire period of study requires that you submit a program application and the required deposits and fees for all terms. Then acceptance letters may be issued for the full period of study and can then be submitted to the Italian Consulate. You must apply for the full period of study before you depart, as it is not possible to obtain a Student Visa or to extend a Student Visa while in Italy.

If you wish to apply on your own and not take advantage of the SAI Student Visa Processing Service, you will need to verify the specific requirements of the Italian Consulate in your jurisdiction. Please contact SAI to request the additional letters (Letter of Enrollment, a Letter of Acceptance from the Italian Institution, and HTH Worldwide Insurance Letter) that complete your visa application.

Italian Consulates have the full authority to evaluate and request additional documentation, if deemed necessary, in addition to what is submitted. Submitting all required documentation does NOT guarantee the issuance of a Student Visa.

Questions should be directed to the Student Visa Director at SAI: visas@saiprograms.com
