IT'S TIME FOR A NEW ADVENTURE

PROJECT BRIEF

A business from your country has decided to relaunch one of its products through social media platforms and has chosen you to design a strategy taking inspiration from an advertising that you saw on television when you were a child and that you have never forgotten (every now and then you still watch it on YouTube!).

Today, in front of the managers of that company, you are ready to pitch your idea (you have 3 minutes to convince them). It took some hard work, but in the end, you were able to:

- Analyse the old advertising (What message did it communicate? What emotional need of the consumer did it satisfy? Why did that creative idea prove successful to the point of being relevant even today?)
- Use the old concept, transforming it into a new message suitable to be spread via smartphone (Why do you think this digital strategy is useful? Which digital consumer behaviour do you want to encourage? What motivation will push the consumer to use the proposed social platform?)
- Create the storyboard for a video that tells us your new idea and in which there is the same brand payoff but an effective new claim related to the presented creative idea (well, you may not be very good at drawing, but your idea will convince them ...). Fantastic! You were able to fit all three points in a 10MB max pdf file!!!
